## Eating olives. The benefits...

---

- Olives are packed with monounsaturated fatty acids which have been associated with reduced risk of cardiovascular disease and can help to decrease blood pressure.
- Olives contain an astounding array of phytonutrients that provide a diverse range of both antioxidant and anti-inflammatory nutrients, some of which are unique to olives themselves.
- The Vitamin E contained in olives is the body's primary fat-soluble antioxidant and olives also contain small amounts of antioxidant minerals like selenium and zinc.
- Oleuropein, an antioxidant found exclusively in olives has been shown to decrease oxidation of LDL cholesterol, to lower oxidative stress and help protect nerve cells from oxygen related damage.
- Olives contain polyphenols that have well documented anti-inflammatory properties.
- The benefits of eating olives have also been linked to the cardiovascular system, respiratory system, nervous system, musculoskeletal system, immune system, inflammatory system, and digestive system.

## A little about us

Here at Real Olive we seriously love olives and Mediterranean foods!

Since our humble beginnings in 1998 we have searched the Med for the best olives and delights, making some great friends along the way.

We are on a mission to produce the best quality olives and foods that capture the essence of the Mediterranean diet and lifestyle, promoting health and vitality for all the lovely people out there.

So, if you're looking for exceptionally flavoursome, natural olives and a little taste of sunshine, you're in the right place.

## A little about olives

Our olives are totally awesome and pack a serious punch when it comes to taste and nutrition. No wonder olives have been enjoyed as a tasty and nutritious snack for over 5000 years!

It's simple...

Love olives and you love yourself! Packed with an astonishing array of phytonutrients, omega oils and essential vitamins, eating olives as part of a healthy and balanced diet nourishes your body with an impressive cocktail of natural goodness.
